

Contribute to your community's celebration of *America250*.

Throughout 2026 many of America's small towns, large cities and states will celebrate the 250th anniversary of the signing of the Declaration of Independence. Here is an opportunity to join our campaign and use this milestone in our country's history to champion women who strove, and continue to strive, for women's rights and freedoms.

Planning is underway for the anniversary celebration under the auspices of www.AMERICA250.org. Its mission is to *"pause and reflect on our nation's past, honor the contributions of all Americans, and look ahead toward the future we want to create for the next generation and beyond.*

Contact your local leaders to volunteer your time and energy.

Identify local champions of women's rights, including women who have advocated for:

- An end to poverty, and an end to violence against women and girls
- Education and training of women and girls
- Healthy lives and economic empowerment so women and girls may realize their potential
- Leadership and decision-making roles for women and evidence-based policy making
